**Website:** <http://www.doubledeckerbusoflasvegas.com/>

**Contact Info:** 866-424-4733

**Pricing and services:** They offer a 72-person bus with 44 seats upstairs and 28 seat downstairs. They do permit standing passengers so the capacity can be higher if necessary. They're frequently used for weddings as a strip tour or transportation after the ceremony to the reception; aka cocktail hour.

As of spring 2014 their prices have gone up from the old \$135/hour rate. I've seen quotes of \$445 for two hours, but I do not know if that is inclusive of Nevada sales tax of 8.1% and a service charge, aka driver gratuity, of 18%.

While you can bring your own booze, the bus does not allow glass containers of any type. Alcohol can only be consumed on the lower level. The bus will have a staff person who retrieves drinks for people; guests will not be able to 'help themselves.' I've been told that you can drop off booze and money for ice day-of and they'll get the ice and stock the coolers for you but check with them in advance to confirm.
