Services: Joe's can accommodate private parties from 30 to 100 guests. Here's some info from them on their rooms:

- "Jesse's Room" is a non-private area of the main dining area; from them:

The non-private Jesse's room is best described as an extension of the main dining room; ideal for large parties and dinner only (No Cake Table or Dancing). In this room we can build one rectangle table up to 20 guests or use round tables up to 8 guests each. For guests above 20 people we do require preset menus. Added to the final bill is a 20% gratuity and 8.1% sales tax. There is a room fee of \$150.00, waived if the room is open to regular dinner guests that evening (Up to Management, based on the number of reservations if the room will be open or closed to regular dinner guests). There is a signed contract, credit card, and deposit of \$150.00 require to reserve the space. The deposit of \$150.00 goes towards the food and beverage the evening of the dinner.

- Gigi Room is a larger private room with a seated capacity of 30 to 100 guests. It can accommodate up to 150 for a standing reception. It does have its own full service bar as well as A/V equipment including a large TV, wireless microphone and high speed internet. It has elevator access and views of the strip.
- Board Room is a smaller room for up to 14 seated guests. It has high speed internet, full A/V service and satellite TV.

They have some group dining options [HERE](#).
